# Torque & Torch

## Our Story.

Food & Desire started work in 2001 with Asaf Smoli and Leigh Worcester. Some of those initial concepts – like curating and creating moments to last, centred around delicious food – don't go away. And in 20 years, what we've discovered is that we just keep getting better, but never stop learning. We love what we do and want to make sure you feel the enthusiasm we do for events and planning, food and catering – we are hospitality experts and that's what we think you need to know about us!

We are proud to offer several of our own spaces too. Spaces like Half Acre in South Melbourne that provide flexibility and intimacy – depending on your event – and can be designed and altered to suit weddings and parties through to product launches. Venues like Carousel in Albert Park, Aerial at South Wharf and Harbour Room in St. Kilda can be moulded and shaped into anything your heart desires, all you need is ask.

If anything, 20 years on, we are even more passionate and enthusiastic about our offering. Time has brought experience, but more importantly the ability and confidence to offer so much more – just tell us what you want or let us plan the impossible! At the end of the day leaving you with an event or occasion that is personalised, timeless, memorable and executed with care and thought is the reason we get up in the morning.
